

March 14, 2007  
Education Committee Minutes

Attended by:  
Sue Hammarlund  
Elaine Woo  
Thea Carlson

We discussed Castlebay's needs for the 2007-2008 school year. They are:

1. More computers for the classroom so that each room would have 4 computers.
2. New copier for the school since the one used for homework is old and breaks down frequently.

Respectfully submitted by Sue Hammarlund.
