

Notes from November 8, 2006 Education Meeting

Good morning and I hope you are enjoying the weekend. Since the early meeting caught many by surprise (I would like to thank Thea for being able to make it), I thought I'd send this e-mail to bring everyone up to date.

At Tuesday's PRNC meeting, the purchase of a DLP projector was approved. I have Elaine's notes on it and will work with Best Buy to get it. If I can charge it, the process will be a lot quicker. I am also trying to re-connect with JT (educational buyer at Best Buy headquarters in Michigan) to get a price on how many DVD/VHS and TVs we can buy. Hopefully I will have that info by the Dec. meeting.

If there are any other questions please feel free to e-mail me at any time. The next educ. meeting will be the 2nd Wed. of Dec. which is Dec. 13th.

I wish everyone a happy and restful Thanksgiving and look forward to our next meeting.

Thanks,

Sue Hammarlund
PRNC
