Agenda Completed:

1. Through Becky's hard work, phoning relevant parties, curb cuts have been completed near Castlebay!!!
2. We discussed traffic flow around Castlebay.
3. We determined that Best Buy and Sears were not going to work using the challenging purchasing process we are stuck with through DONE. For the computers we will instead try the source we used to get the laptop for the volunteer surveillance team, Microsystem Concepts.
4. Measure Y passed, so we will be holding Romer to his promise to build a school, documented in his letter.
5. There will be a meeting in December with LAUSD, the developer, the Councilman, Becky & Mel to understand and map out the process for getting the school built. It was suggested that Wendy join in on the meeting.
