

Go Green Committee Meeting
January 17, 2008
Meeting started at 6:30 PM, Porter Ranch Library

10 People from the community attended the meeting.

We progressed through the agenda.

1. Welcome and Introductions.
2. Signing the Roster.
3. Selecting a Co Chair. Andy Paylan.
4. Development of a vision statement.

Discussion of mission of Go Green Committee. Emphasis seems to be directed at several areas:

- I. Transportation - Research the use of golf carts in and around Porter Ranch Streets. Designate certain lanes for the carts. Installing more electrical charging stations.
 - II. Electrical - Installing Solar Street Lights, Solar panels at Hollieg Bernson Park, and other parks.
 - III. Water Use of Brown water, and rain harvesting
 - IV. Replacing Trees
 - V. Waste - Obtaining replacement stickers for citizens trash, recycle cans. So that people will know what to place in each can
5. Review of future meeting. Motion to change time from 6:30 to 6:00. MSP.
 6. Discussion of L.A. Citywide Zero Waste Plan Conference on February 2, 2008.

Next meeting at 6:00 PM at Library

Meeting ended at 7:45PM.
