Dear Mr. O'Donnell,

The Porter Ranch Neighborhood Council was made aware of the Hidden Creeks Estates project several years ago and we provided a letter of support to the Department of City Planning in 2008.

We supported the project after the developer actively worked with us to solicit our comments, concerns and suggestions, and following presentations and meetings, touring the proposed site, studying detailed plans, and having many discussions with Porter Ranch stakeholders.

A few years have since passed, and we recently reviewed Hidden Creeks' plans again to make certain we could still support it. After careful thought and review, our position remains unchanged -- we continue to believe the project will bring immense value for the equestrian community, local businesses and the overall economy.

Sincerely,

Mel Mitchell
