Dear Councilman Englander:

At the April 3, 2012 meeting of the Porter Ranch Neighborhood Council (PRNC) the Board discussed the ongoing parking problem at Holleigh Bernson Park. The PRNC had previously addressed the issue and sent a letter to Councilman Smith on June 16, 2011 suggesting a possible solution: "to change the no parking rules and signs to allow parking on the west and north side of the park. The signs could say no parking from dusk to dawn to prevent overnight parking."

At the April 3, 2012 meeting the Board and stakeholders reviewed drawings prepared by the Porter Ranch Development Company. The drawings propose street striping changes to accommodate additional parking for the park: restripe the northbound lanes of Porter Ranch Drive to one left turn only, one middle lane straight and one right turn only at the intersection with Sesnon Blvd.

The Board supports the proposed street restriping and voted unanimously to send this letter requesting your support for the street changes and parking rules. We appreciate your attention to this important matter for Porter Ranch.

Sincerely,

Mel Mitchell
President
