Outreach Meeting January 11, 2007

In attendance – Paula Cracium- Chair, Sue Hammarlund, Becky Leveque, Mel Mitchell

Business and Community Involvement:

We feel that the businesses will not come to the meeting given their schedule so we need to create a forum for us to hear their concerns and get their input on community matters – the same was felt for parents with young children and Home Owners Association members. Believing that it is our mission to gain input from the community and concerned that attending our meeting is not proven to be effective with these groups in the past we have decided to make an attempt to go to them. The decision was made to host focused meeting for these groups (that will also be open to the public) at a Luncheon for the Businesses and a Breakfast for the Parents and a Dinner for the Homeowners Associations.

Guests for 2007:

It was determined that we would have 2 (two) special event in 2007 where we have a special guest – Becky Leveque will look into getting Chief Bratton or Lucy (the seismologist) as speakers at these events (date option listed below.)
