Motion for Board Consideration

February 8, 2017

Motion: Discussion and possible appointment of one or more PRNC Board member(s) or stakeholder to the following Neighborhood Council Liaison Position:

Animal Services Liaison

Proposed by: Susan Gorman-Chang

Description : Each Neighborhood Council is asked to appoint an Animal Services Liaison, so that two way communication can occur in regards to problems and solutions relative to animals in our community. This Liaison can be a stakeholder and does not have to be a Board member.

Benefits to PR:

With Porter Ranch located at the base of hills, mountains, and open area, our community has experienced issues with animals including but not limited to mountain lions, bears, coyotes, and rattle snakes.

A PRNC Animal Services Liaison would attend meetings and report back to us on all concerns regarding animal issues in the City of Los Angeles. In addition, they would be the focal point for our own residents with animal questions, issues, & suggestions, bringing those back to the city for consideration.

The PRNC Animal Services Liaison would also contribute to the Animal Service Department's Strategic Plan process, which will provide a blue print for the Animal Service's priorities over the next coming years.
