Motion for Board Consideration

PRNC Board Meeting

April 11, 2018

Motion: Discussion and possible action for the PRNC to identify what we want to see as part of the \$1M SCAQMD health study and to present those recommendations to the Health Study Technical Advisory Group (HSTAG) at the first meeting to be held on April 17th, 2018.

Proposed by: Andrew Krowne

Description: The HSTAG is meeting for the first time to begin forming the outline of the AQMD funded health study. This meeting is open to the public and will be held at the Van Nuys Civic Center, City Council Chambers. 14410 Sylvan Street, 2nd Floor, Van Nuys CA 91401. Two community representatives are a part of this group, including Dr. Jeffrey Nordella and Dr. Issam Najm. This motion is for the Board to weigh in on our opinions and to hear from Stakeholders on what they would like to see as part of the study.

Benefits to PR: As the front line stakeholders exposed to any and all releases from the Aliso Canyon gas storage facility, it is critically important that stakeholders be able to weigh in.
