Motion for Board Consideration

PRNC Board Meeting

April 11, 2018

Motion: Motion to authorize up to \$600.00 for food, water and clean up supplies for Earth Day Cleanup.

Proposed by: Jason Hector

Description: Clean up is starting April 21, 2018 at 8:30 am and will wrap up at approximately noon time. The motion is for Baja Fresh party packs (see attachment) and water to be served at approximately 11 am as well as clean up supplies not provided by the city, namely trash pick-up sticks, heavy duty trash bags and gloves. These items make it easier on our volunteers since the gloves provided by the city are latex and don't protect your hands from thorns. Also, the pick-up sticks are helpful so you don't have to keep bending down as you pick up trash. Beautification committee can maintain supplies for future clean up events.

Budget is \$363.16 for food.

Supplies for beautification committee \$167.76

Buffer if more food or supplies needed \$69.08

Total estimated budget = \$600.00

Benefits to PR: The cleanup is focusing on the section of Limekiln Canyon Park which is within the Porter Ranch boundary (north of the 118 freeway). Areas of focus will be on graffiti removal, trash pickup, and brush and debris removal.

Is this a Time-Sensitive Motion (Yes/No)? Yes

If the answer is "Yes", please explain: The event is April 14th so we need to purchase these supplies and food prior to the event.
